I think they will better prepare our young people to understand the history of the Church in the context and help them be prepared when they meet antagonistic information on the history of the Church. The new manuals: extensively draws from the new themes of the gospel wise on the multiple accounts of the first vision, the mountain meadows massacre and the war of Utah, the history of plural marriage, and the history of the ban on the priesthood. Draw from The Work of the Joseph Smith Papers Project and LinkÂ e to the project website. Include statements from the leaders of the Church on the confrontation of doubts and questions about the history of the Church.
