The gas boilers behind the pieces are a wide range of gas boilers available in the UK and are divided into three main categories. A combination boiler also known as a gas combi gas boiler, which provides instant hot water and heating, a heat only boiler that operates in association with a cylinder to provide heating and hot water, and a gas-fired condensing boiler which is more efficient and has to be in the rating to AA SEDBUH band set by government. Gas boilers and spare parts are produced by a variety of companies such as Vaillant, Worcester, Baxi, Potterton, Ideal, Ravenheat, Glowworm, Biasi, Heatline, Protherm, Broag Remeha, Heatrae, Hermann, main, Vokera, Ferrol, Alpha, Chaffoteaux, Ariston, Sime and Keston. The direct heating parts are the leading supplier of hydraulic plumbing and heating gas boiler spare parts in the UK and we fully understand the importance of heating and hot water, especially during the winter season. We also understand that getting your gas boiler spare parts quickly is critical, so we have a lot of different delivery options available. Most plumbing and heating gas spare parts can be delivered next day before 12 for most of the UK. It 'important to take your time to find the correct boiler spare parts for the job. We have a wide range of plumbing and heating boiler in stock spare parts from DHS and if you need assistance locating the correct part do not hesitate to contact our call center based in the UK. Collectively we have over 200 years of experience in the distribution and identification of parts of boiler spares.
