Development control policy 3.4 - Subdivision of rural land; Development control policy 4.1 - Industrial subdivision; Development control policy 4.2 - Planning for hazards and safety; Development control policy 5.1 - Regional roads (vehicular access) Development control policy 5.3 - Use of land reserved for parks, recreation and regional open space 17/12/2021 - (All dollar amounts are in United States dollars unless otherwise specified) December 17, 2021, Vancouver, B.C. - Bear Creek Mining Corporation ("Bear Creek" or the "Company") (TSXV: BCM) (OTCQX: BCEKF) (BVL: BCM) is very pleased to announce it has entered into a definitive agreement with Equinox Gold Corp. ("Equinox") to acquire a 100% interest in ... New Sustainability Reporting Standard for housing associations. A new Sustainability Reporting Standard for social housing was published on 10 November. This Standard provides a common framework which social landlords can use to report on their environmental and social impact, and their governance arrangements (ESG). FIND OUT MORE 27/09/2020 - According to the 2015 report, 21% of the total C&D was recycled in the country that year, while in 2013 the rate was 19%. The outlook is promising but not yet ideal, and the growth of ... 20/01/2022 - While the potential risks of unmanned aircraft have received significant attention, there is little in the academic literature that examines how operational risks are mitigated by users. This study examines the prevalence of key operational risk mitigations amongst a sample of 812 unmanned aircraft users in New Zealand, their confidence levels in identifying and ... About Land Records and Deeds in Texas Deeds, mortgage documents, easements, liens, powers of attorney, and other document recordings are managed by the County Clerk in each Texas county. Some counties provide online access to databases where recorded document searches can be performed. 18/01/2019 - Development control policy 4.2 - Planning for hazards and safety; Development control policy 5.1 - Regional roads (vehicular access) Development control policy 5.3 - Use of land reserved for parks, recreation and regional open space; Development control policy 5.4 - Advertising on reserved land; Draft development control policies 1.2, 1.7 and 5.1 06/05/2020 - In truth, more than one-quarter of the world's GHG emissions come from agriculture, forestry, and land-use change. And unless actively addressed, these emissions are likely to increase as more people populate the Earth and the need for food continues to grow. Our latest report, Agriculture and climate change, looks more deeply at these issues. The UN agencies' State of Food Security and Nutrition 2018 report (FAO et al. 2018 22) and the Global Nutrition Report 2017 (Development Initiatives 2017 23) summarise the global data. The State of Food Security report's estimate for undernourished people on a global basis is 821 million, up from 815 million the previous year and 784 million the year before that.
