We are so happy that you found our page full of resources to help teach young people all about the We are EXCITED for you to take a look at our songs, memory cards, worksheets, coloring pages, and more! Hello, everyone! I am the artist of these coloring books! My name is Molly Harrison and I am a professional artist, wife and mom working working From My Home Studio in Northern California, USA. UU. I started my art career in 2003 and branched out into the world of adult coloring books in 2015. I have many, many coloring books now, mostly with fairies, fantasy mermaids and mythical creatures. Art has always been a part of my life. I studied illustration design at college, got my ba and then didn't pursue my art career until I had full access to the internet in 2003, where I started selling small watercolor illustrations on eBay. I don't do much on eBay anymore, but you can find my watercolors and fine art prints and all these coloring books in PDF Instant Download versions at my Etsy Shop www.etsy.com/shop/mollyharrisonart or my website www.mollyharrisonart.com. Also, for exclusive coloring pages that you can't find in my coloring books and other coloring pages, prints and exclusive coupons, join my Patreon page at www.patreon.com/fantasyartistmollydrawing and the painting has brought me such joy, consolation and a feeling of freedom since I was a little boy. Fairies and fantasy art have always captured my spirit and interest, so I was naturally attracted to this subject. I also love animals, wildlife and wildlife art, and you will see that I have combined the two often. Make sure I like my Facebook page for works in progress, special coupons, sweepstakes and just to say hello! Also follow me on Instagram at @fantasyartistmol. I love to see your color versions of my illustrations, so feel free to post them on your social media or on my Facebook page. Do not forget credit and copy; Molly Harrison. I want to thank all my wonderful clients and fans for allowing me the privilege and honor of creating art for a living.
