Share this Article Close Rudrapur story: An elephant herd blocked trĂfego ferroviĂrio in Udham Singh Nagar district on Wednesday, after two paqueiros - one fĂmea and his male offspring - were hit by a train on the route Lalkuan E -Kashipur the morning. The Ărea falls within the Peepal forthe forest range. While ferroviĂjrias authorities had to provide the Ănibus to send passengers to their destination, forest funcionĂrios had to wait for the flock enraged before impulsionĂi them back to the forest. ă € ă, ~ "We will run to the spot and saw one adult and one little one elephant lying dead in ferroviĂjrias trails. The elephant herd was very angry. We waited a while and then the afastĂvamos tracks ă € ~ "Harish said Pandey, Ranger, Peepal Parao Forest range in the currency E central forest Kumaon. Pandey said the train was on its way from Ramnagar Lalkuan by around 5 E morning on Wednesday. ă € ă, ~ "When it came A range forthe Peepal forests, 4 km from Sidcul Halt, a herd of elephants was crossing the track. The speed train hit the two elephants and they died on the spot. After that, rest of the elephants in the herd surrounded the carcaĂĂas, resulting in a trĂfego ferroviĂrio blockade, he said. ferroviĂjrias Authorities brought the train back to the Sidcul Halt and organized Ănibus to Bazzpur, Kashipur and Ramnagar send passengers to their destinations as excavation © m stopped the Kashipur-kasganj train going in the E direĂĂ Lalkuan in Gularboj and sent back to Kashipur. Some other trains were also canceled on this route to the noon. "The feminine elephant was about 40 years old while his baby had two months old. We inform our elderly and remove the carcasses from the tracks Pandey. Pandey said that the Department of the Forest would write to the railroad authorities, asking them to drive trains at slower speeds in the forestry stretch to avoid these incidents in the future. AG Ansari, a wild-based wild activist, blamed the "human" error for the incident. An advance alert system is necessary to avoid such incidents in the future. The Forestry Department should take the initiative in this regard and the railways should also control the speed of the trains. There were several Of these incidents in the past in Uttarakhand, especially in the Tarai area of the State. In July 2020, a three year old elephant was killed in the Nakraunda area of Dehradun's forest division when hit by a moving train. In November last year, a 35-year-old female elephant was killed in May 2018, a five-year-old female elephant died on the Lalkuan-Bareilly railway line in the Nainital district. In March 2018, an elephant had died in a similar incident near the Bypass Nagla on the Railway Lallway Line Latuan-Bareilly, while in April 2017 two elephant calves were killed near the Haldi Railway Station in Kumaon. The State recorded an increase of 29.9 % in elephant numbers since 2015, and a CEN Elephant only performed last year estimated the total population of the elephant in the state to be 2.026.
