English is one of the most widely spoken languages across the globe and a common language of choice for people from different backgrounds trying to communicate with each other. This is the reason why English is the second language learned by most of the people. Tamil language is one of the famous and ancient Dravidian languages spoken by people in Tamil Nadu and the 5th most spoken language in India. Tamil is also an official spoken language in Sri Lanka & Singapore. Tamil is a very old classical language and has inscriptions from 500 B.C and plays a significant role as a language in the world today. The huge number of Tamil speaking people cutting across countries, the birth and growth of the language, the letters, the rules, the sound variations and the origin of special characters, symbols for Tamil calendar, Tamil numbers, time, land and cultural divisions, and coinage of words have also been dealt with. [ரேஷனல்](#) Tamil Meaning rational meaning in tamil is [ரேஷனல்](#), [ரேஷனல்](#) rational tamil meaning and more example for rational will be given in tamil. Blaming speculators for the irrational price he said India and China could actually work together to bring about a more rational market for oil in Asia. There has to be a public debate on a rational and not ideas be driven by ideology he said quoting economist Amartya Sen. The same could happen if Teheran decides that a genuinely independent Iraq is in the best interests of the region but rational calculation has not always been the mullahs strongest point. The 1929 Act comprising a bare 11 sections though a major social reform law has always had an ambivalent attitude on whether to enforce what is rational or to compromise with the reality. It cannot be overemphasised that the purpose of law is to enforce rational behaviour and to penalise breach rather than to legitimise the absurd and the irrational. With air traffic expected to nearly double by 2020 the European Commissions aviation policy should reflect a more rational approach than some of its proposals indicate. He said It is necessary that all stakeholders in the world spice trade effectively work for rational standards without harming consumer health. He said It is necessary that all stakeholders in the world spice trade effectively work for rational standards without harming consumer health. We have to prioritise adopt a rational attitude to development. Progress in the social front would have to happen simultaneously with growth in other sectors with the involvement of the government civil society and the private sector.
