Vision: The Divine Intervention Mini©s are working to create a single counter shop for the re©entry of incarcerated individuals that provides a wide variety of direct and forwarded services to empower and restore individuals, families and the community, leading, in last minute, to a diminished rate of reindivism. Involved: You can help us continue our mission with a financial give-up. With our secure service on PayPal you can use your Credit, Dit©d or PayPal information to send us a give-up by clicking on the Doašo button below. Á Joshua' 160; Thank you in advance. Ready to volunteer for the © Of Divine Intervention? Click here to start. Divine Minting Program Divine Intervention of the Divine Program of Environmental Intervention is © comprehensive program to facilitate the transition between prison and life in the outside community, an individual is released from prison, he/she faces incredible Unbelievable Impact Program The IMPACT (Interceding Making Positive Actions Come Together) program specifically meets the needs of At-riskand judged adults helping them find employment, housing, rehabilitating advice, clothing advice, Debra Germanys life changed the 9th of July 2001, when her only son, Raymond Germany, was murdered, shot seven times in the neighborhood of the Hill District of Pittsburgh, Pass © Is of the death of your son, says the lady, Germany, the Ministries © Rivers of Divine intervention were born in his spirit. With God as your guide, ma'am. Germany is determined to return and help a s many people as possible to know that with Christ all things are possible. Mrs. Germany truly believes that if it has God in its life, it can do the impossible, achieve the unachievable and endure the unbearable. The Divine Intervention Ministries was initiated in 2002 by you, Debra Germany after the tragic and premature death of her son Raymond Germany for gang violence. DIM started by using panel © is advertising to call attention to unsolved homicides and to find community solutions to crime. Say it too © m sought to alleviate the grief of family members who lost loved ones due to violence. Mrs. The vision, dedication and inspiration of Germany has persisted for almost a fraction © Each has resulted in an effective and voluntary organisation that works to change the opportunities and choices of the populations at risk. In 2006, the DIM changed its direction to focus on restoring the lives of imprisoned adults and young people at risk, and introduced an innovative program to promote a greater effect of social change through © Development of the IMPACT programme, interceding to carry out positive actions. Although the Ministries © Divine intervention rivers are new as a 501(c)3 organisation (June 2010), Debra Germany has been working since 2002 to assemble a team to serve at-risk adults and young people, now and previously incarcerated. If my people, who are © called by my name, humble yourself and pray and look for my face and Back from your bad paths, then I will hear from the sky and forgive your sins and I will heal your land. € 2 Chronicles 7:14 Debra Germany Tedx Talk Talk State prison that I stated on a previous blog about becoming resilient that © more than just a list of clothes to check and we all heard and maybe we said to ourselves: © Be from employees who work in the company- much of what I wrote until © Now on decision making see the process as rational. Identify the problem, collect relevant facts, consider... As part of the growth of the 3rivers Leadership Institute, Dr. James Dittmar created a leadership development tool based on Acrostic L.E.A.D.S. This model is 124th; This blog I'm a little challenging for me to write. © a difficult peak. © another of those who take a look at at the 124th; The ministries © Divine rivers are dedicated to providing adults today and previously incarcerated and young people at risk with coordinated resources that lead them to support services and job training opportunities focused on restoring and realizing their maximum spiritual, physical and economic potential.
